

Dear Friends,

It is with great honor and enthusiasm that LCCF announces the fourth annual Amy & Vince's Fred Duckett Challenge March 6-8, 2010. Joining Richard O'Neal as co-chairs are Nancy Hinch and Penny Loyd. Hosting this year's extravaganza of "world class" golf, entertainment and camaraderie are Amy Grant, Vince Gill, David Feherty and LPGA pro Kris Tschetter, benefitting Querencia's "official" charity LCCF. Querencia owner, Charles Morgan, and his team have invited the Questro Group to join together in providing two days of world-class competitive golf at Querencia and Cabo Real.

The entertainment will begin with the AA opening reception at Querencia with Felix Cavaliere's Rascals, a spectacular dance band with a wide repertoire of 50's, 60's, 70's and 80's music. Monday night's finale at Querencia with awards, dinner, auction and entertainment with hosts Amy Grant, Vince Gill and Larry Gatlin and the Gatlin Brothers will culminate the festivities.

With the expansion of golf and entertainment the Amy & Vince's Fred Duckett Challenge entry fee will be the same as the last three years - \$20,000 per team or \$5,000 per participant. Participants of the 2009 Fred Duckett Challenge will have the first option to register. Registration deadline is January 15, 2010. Please contact Brenda Kuyper at 605-275-6305 or email us at duckettchallenge@sio.midco.net or register online at www.loscaboschildren.org. A registration deposit of \$2,500 per golfer or \$10,000 per team will be required at the time of registration. The remaining registration fee of \$2,500 per golfer or \$10,000 per team will be due by February 1, 2010.

Los Cabos Children's Foundation is a US 501c3 and Mexican AC with donatario status whose mission is to "provide medical, educational and humanitarian assistance to the children, their families and supportive organizations of the Los Cabos area". In 2008 LCCF invested over \$1.5 million dollars in projects and programs benefiting the children and families of the Southern Baja and provided over \$3 million dollars in pro bono medical treatment and care for children from the Los Cabos area.

Thanks to you, we are currently treating 30 children with cancer through our affiliation with St. Jude's Children's Research Hospital in Culiacan and have an agreement with the Minister of Health for the Baja to establish the "first ever" pediatric oncology center in Cabo.

We look forward to seeing you March 6-8, 2010!

Respectfully,

Thomas P. Walsh, Sr.
